The Kingdom of Jesus

According to the Bible, the 1000 year reign of Jesus will be a time when this world is ruled by a loving but stern King and is dominated by everything that is right and good. It will be a world where there is no injustice, where no judge ever condemns the innocent or sets the guilty free. Every person will be treated fairly. It will be a world where what is true, right, and good will mark every aspect of life. This means that every relationship, business, school, and government agency will only operate in ways that are good and right. There will be complete, total, and long lasting peace. People will be filled with joy and good health will prevail.

In fact, people live for hundreds of years and a person who dies at 100 will be considered an infant. The devil and his demons will be locked away in prison and have NO influence on the affairs of men. The curse that sin brought into the world will be removed. The entire planet will be restored to the pristine beauty and purity of the Garden of Eden, where every green plant is good for food and peace reigns. Even in the animal kingdom, we are told that "the wolf will dwell with the lamb, and the leopard will lie down with the young goat, and the calf and the young lion and the fatling together; and a little boy will lead them" (Isa. 11:6).

It will be a world ruled by a perfect, glorious Ruler, who instantly and firmly deals with sin. You and I will rule and reign with Him as He rules the whole earth from Jerusalem. This description may sound like a utopian fantasy that could never become reality. Yet it is exactly how the bible describes the global 1000 year reign of the Lord Jesus Christ on earth and it is coming soon!
