TODAY'S SCRIPTURE & MAIN IDEA. Ephesian 4:7-16, Rom 12:4-8 Ministry Fair Week	Last week scripture revealed that each believer has a Spirit given gift given by God's grace. Today, I'd like to invite everyone to take a gifts survey. This is just a tool and is not a definitive authority on what your gifting is. Over the last few weeks I've spoken to many at MBC about how they are still not sure what their gifting is even after years walking with the Lord. I hope this is an encouragement! Please know that this is an outside ministry providing the survey so MBC may not agree with every single word on their webpage. :)
HEAD QUESTIONS	Use the QR code, scroll down to "Begin Survey" and complete it.
HEART QUESTIONS	What did the survey results reveal for you? Are any of the results surprising or exactly what you've known? Share with the group your thoughts on the results. How are you currently or could you in the future use your gifting to serve the body? If your not sure, ask the group for feedback.
HANDS/FEET QUESTIONS	Discovering your giftedness or your calling is never an individual pursuit. It's always a community project. You should invite mature leaders into your life for candid feedback, opportunities, and critique rather than deciding alone. God gives the gifts, and if He has given them, He will also provide opportunities, stir passion, allow developmental experiences, and lead His church to recognize and support them.
RECAP/PERSONAL TAKEAWAY	What's your one thing to apply/change because of this weeks study?
