Guide to Today's Service

WELCOME

Thank you for joining our loving family in worship today! We pray that God is praised and that you are encouraged. If you need anything, **please find one of our Guest Experience Team members (wearing a lanyard)** and they will be glad to help you!

CONNECT WITH US

We would love for you to fill out one of our Connection Cards by scanning this QR code. Once submitted, you can show your completed card to the Guest Experience Team member at the Welcome Desk, and they will have a gift we'd like to offer you as a small way of thanking you for being with us this morning.

COMMUNION

We invite you to pick up the pre-packaged communion elements, **located at either entrance into the Worship Center**, and share in our weekly time to take the bread and the cup, representing the body and blood of Jesus, our Savior.

GIVING

During our service, we take up an offering that goes toward **funding the mission and ministry of our church.** This is entirely voluntary, but If you would like to partner with us through your giving, you can scan this QR code to donate using our online giving platform, Subsplash.

THE WIGGLE ROOM

If you have a little one that needs a little more space during our service, you are welcome to use our Wiggle Room in **Room 115 at the back of the Worship Center**. The service is streamed, and you have direct access to a sink and bathroom.
