A MESSAGE FROM THE ELDERS:

Last night, many celebrated Halloween. Popular culture tells us the holiday has its origins in the pagan culture of the ancient Celts who believed that, on that night, prehistoric graves opened allowing the spirits within them to roam the earth. The ancient Celts also celebrated their new year on Nov 1.

Other ancient cultures around the world had celebrations honoring the dead and ushering in the new year in late October/ early November. The Day of the Dead in Latin America is a fairly well-known example.

What's interesting is that the Flood occurred during this time of year. Genesis tells us that the old world perished in November (Gen 7:11) and a year later a new era commenced in the same month – when Noah and his companions left the ark (Gen 8:14). Both of these facts are enshrined in the memory of the human race as handed down by holidays remembering the dead (multitudes perished during the Flood), and ushering in a new beginning (or new year) during the same month.

Thus, Halloween may be much more than simply an ancient pagan holiday, or even a harvest celebration. It may very well have it's origins in, and symbolize, the reality of God's judgement, the multitudes that perished, and the new beginning that was ushered in with a rainbow in the sky (Gen 9:12-16) when God promised he would never again bring a flood to destroy all life on the earth. These events left a far greater impact on the world than any pagan holiday or harvest celebration and are worthy of our remembrance at this time of year – or any other. Therefore let us "take captive every thought (including Halloween) to make it obedient to Christ" (2 Cor 10:5).
