September- November 2022

Dear Supporters,

What a real joy it is to be able to report back to you about what the Lord has done the last few months. It has been a blessing to be able to be back inside the prisons. Not only were we glad to be back but every inmate we have seen has expressed how much they missed the revival services and the personal visit to their dorms during the day. In most cases, Rock of Ages Ministries has been the first Ministry that many prisons have allowed in for in person services. We have many coming to the services and for some their first time ever being in a Rock of Ages Revival meeting. So, to say Bro Harrelson is excited is an understatement. God is Good!!!

In September we were at Pender Correctional in Burgaw, NC and in the 3 day revival meeting we saw 233 men come to the services and **25 saved**. I had the wonderful opportunity to go to Atlanta, Georgia and spend a few days with our missionary at the Fulton County Jail. There were 3,000 inmates in this facility waiting on court dates and trials. We were able to begin each day around 5:30 am and visit and distribute gospel material and Bibles to the mass population. Many inmates just needed to speak to someone from the Chaplains office and we were able to talk with them personally on Biblical matters. We did see **1 man** trust Christ while we were there. While in Atlanta, I was able to visit the Atlanta Rescue Mission with another Rock of Ages missionary while he taught a Character class to those who stayed there, and to many who came from off the streets. Please pray for this ministry as they try to reach that local area with the Gospel.

In October, we went to Harnett Correctional in Clinton, NC and had a great revival with the prison allowing our team to visit in the yards, dorms and hold services each night in the gym. During the 3 days meeting we saw 592 men come out to our services and **22 of those men got saved.** The Warden of the prison attended each night along with many of her personal staff. We were so grateful to her for giving us so much liberty in the facility while we were there. The next stop was Davidson Correctional in Lexington, NC. In this meeting we had 93 in attendance and **3 men** saved. Again, we had great liberty to walk the yards, go inside the dorms and gather in the chapel area at night for revival services.

So far this month we have been to Anson Correctional in Wadesboro, NC. I was able to hold services in the evening on the men's side while Bro. Rick Hurley and his wife held services on the women's side. On the men's side there was 114 in attendance with **2 saved** and the women's side there was a total of 220 in attendance with **10 saved**. As I write this letter, I have just returned from Richmond Correctional in Hoffman, NC. We were able to visit all the dorms and invite the men to the services each night. The attendance grew each night with 57 on Tuesday, 60 on Wednesday and 72 on Thursday. Each night we had many come forward in the invitation and we saw **13 trust** Christ. In all the meetings I mentioned in this letter we were able to give out hundreds of Gospel tracts, PBI lessons and Bibles to anyone who did not have one, especially those that got saved.

In closing, our family would like to wish you a Happy Thanksgiving and we hope you have a very Merry Christmas! Thank you all so much for your faithful support. We could not go and do all we do without supporters like you. We love and appreciate you all.

David and Cindy Harrelson
