Make plans to join us on Sunday, November 22, at 6:00 p.m. for our Thanksgiving Worship Service. We will have a time of sharing and reflecting on God's gracious gifts throughout the year and offer thanks for all that He has done and will do in our lives. Everyone is welcome and encouraged to worship with us.

We will also accept a love-offering for the Palmer Home for Children. Their mission is to provide superior residential care for children that introduces the love of God through service, and to extend that care to many more children in need. Palmer Home is a Christian organization that currently serves 100 children from birth through college-age who live year round on the Palmer Home campus in Harnando, MS. Palmer Home is a non-profit organization which relies fully on the generous support of individuals, organizations, and churches who believe in their mission of rescuing and restoring vulnerable children.

Missions Matters

Steve & Sherri Letchford

Kenya
SIM

Steve and Sherri are medical professionals who have been a part of the African church's hospital ministries in Zambia and Kenya for 26 years. They are passionate about equipping African healthcare professionals to serve Jesus in vulnerable communities.

Steve (MD, Internal Medicine/Pediatrics) now heads SIM's Banda Health ministry, using technology to empower the clinics caring for patients in African slums and villages and ministry partnerships to help their communities address overwhelming social and spiritual realities. (Luke 4.18-19). Sherri (DPT) is a physical therapist currently involved in mentoring and governance.

Prayer:

- Pray for a lawyer and nurse joining the Banda Health team in Nairobi to facilitate Banda's growing number of partnerships with other ministries in slums and villages. Pray for additional missionary software developers for the Banda Health team and for increased funding to also hire Chrisitan software developers in Kenya.

- Pray that many families living in very vulnerable situations will find good healthcare and gospel- shaped hope within walking distance of their homes through the work of the Banda team and our partners.
