HOW CAN I SERVE?

"…Serve one another humbly in love…"

-Galatians 5:13

What is this catalog all about?

We are providing this catalog to showcase most of the serving opportunities though our church. Our hope is that you will find a place to volunteer that uses your own spiritual gifts for the benefit of others.

Who is this catalog for?

This catalog is for anyone who is looking for a way to serve.

How can I know what are the best areas for me to serve?
If you're unsure of your gifts and what serving opportunities might be a good fit, try taking our spiritual gifts assessment. Someone will follow up and help you navigate your results.

I found something I want to try. Now what?

The names and email addresses of ministry leaders are listed with each opportunity in order for you to be able to easily connect with your area of interest. If something catches your eye, you can either call the church or send an email to get started.

What if I've never served before?

If you're a first time volunteer, we welcome you to try any opportunity that looks promising to you in a low-risk, no-obligation way. You can try out as many areas as you like until you find the right fit. All of the details of your volunteer role will be explained to you by the ministry leader.

What if I am currently serving, but want to try something new?

We welcome this for you! If you serve in a certain area, but need a change, feel free to try something else until you find the right fit. You may try as many areas as you would like. For current volunteers, this booklet offers a chance to explore fresh areas of ministry.

More info?
