Topic: The New Covenant
Scripture: Hebrews 8:8 KJV

In remembrance of him, when we take communion, we have to remember the covenant we made with Him. When we think about the benefits we have as christians we should get excited about being in Christ.

- We must be reminded of the covenant we have with God during communication.
- God made provisions for us to live a sin-free life before he created us.
- Everything Jesus did, He did it as a man full of the Holy Ghost.
