Take the lead with or without a title.
Leadership is a mindset or an approach to everyday life or work
And influence others to follow you.
Leading through followership
Self leadership- focuses on self. Following as a leader. 7 different

- Spiritual development
    - Devotional bible study, Prayer,
- Growth mindset
- Always be reading something. Spiritual perspective, something to learn a new skill , financial literacy
- Self discipline. Set a routine. Learn to disciple. 7 things to learn self discipline. Remove temptations. Prioritize important tasks. Ignore your feelings. (Bc your feelings don't focus on your goals) Set strong boundaries. (You have to know how to pick your battles) Quit procrastination. Practice daily discipline. Get back on track. (Have a focused mind, and a teachable spirit.) Be aware of your blindspots. Examine your life.

Accountability- intentionally guiding your own thoughts. Learn how to hold yourself accountable and hold yourself to a standard without shifting blame.
Stewardship- you have to learn to steward your time, and your leadership. We're not here forever. We're not here for eternity.
Your Talent. Master your talent. Glean from others if you need to but don't imitate.
Transformational leadership. Learn how to connect and work with all kinds of people. How you treat people is important.
Be a visionary. Have a vision.
Have effective communication.
Make sure you are emotionally intelligent. A King doesn't cohort with peasants.
Fellowship- learning how to follow under a leader. Learn how to catch the vision. It's not your job to change the vision
Be mission minded. Keep the mission the main thing. Respect whoever is in the leadership seat. Stay in our lane.
You cross into the lane you're bound to get run over. We're so busy in other folks' lanes, that our lane goes lacking.
Power of collaboration. God isn't the author of confusion the devil is. There is power in unity.
