Hi, [Name]

I’m calling because Virginia voters will see a proposed constitutional amendment—on the November 3 ballot.

I’ve been invited to join a short Zoom town hall with local physicians experienced in high risk pregnancy and pastors. The goal is not to pressure anyone; it is to make sure people see the official text, understand the concerns, and know why physicians are encouraging a **No** vote.

Can I text or email you the registration link?

If yes: Thank you. Would you also consider inviting one friend or family member?
If interested in volunteering: We are looking for Field Leaders who will share the toolkit with five people. May I send that information?
If not interested: Thank you for your time. I appreciate you listening.
