Church School Lesson: "David Anointed as King?" Lesson Text: 1st Samuel 16:1-13, Key Text: "The Lord does not look at the things people look at. People look at the outward appearance, but the Lord looks at the heart." 1st Samuel 1:7b

Black History Moment: Johnnie B. "Dusty" Baker Jr. (born June 15, 1949) is an American baseball manager and former outfielder who is the manager of the Houston Astros in Major League Baseball (MLB). **Should I keep it a secret I am rooting for Dusty Baker**, manager of the Houston Astros well I am feeling like James Brown sung "say it loud.... "Dusty Baker grew up in Riverside, California the oldest of five children. Baker excelled in baseball, basketball, football, and track. A baseball scout saw something in Baker. in the 1967 amateur draft Baker was drafted by the Atlanta Braves. On Sept. 7, 1968, he made his debut as a call-up against the Houston Astros. Did you see catch that! Dusty has a very impressive career and has received many awards and accolades. He was a two-time All-Star, won two Silver Slugger Awards and a Gold Glove Award, and became the first NLCS MVP, which he received during the 1977 National League Championship Series. He also made three World Series appearances, winning one in 1981. He retired atter nineteen seasons. Baker played in 2,039 games while collecting 1,981 hits, 242 home runs and 1,013 runs batted in while never going on the disabled list. In 1987 while Baker was working as a stockbroker, he received a call from Hank Aaron, Joe Morgan, and Frank Robinson to go to Dallas, Texas to try to get jobs for minority baseball players. However, while checking into the hotel, Baker encountered Bob Lurie, owner of the Giants, which seemed a sign for Baker to take an opportunity, if offered. The opportunity was offered as it is said the rest is history. Baker has managed the Giants, Cubs, Reds, Nationals and now the Astros. Baker is the first MLB manager to reach the playoffs and win a division title with five different teams, having accomplished both feats with each team he managed. He is the ninth manager to win pennants in both the American and National Leagues, leading the Giants to a World Series appearance in 2002 and two with the Astros in 2021 and 2022. Baker has the most wins among managers who have yet to win the World Series. Note - Phillies fans Baker was on the short list to be the manager. You know who they picked. At the age of 73, he is the oldest manager to reach the World Series, to date, Baker is one of only four African Americans to manage a World Series team. Dave Roberts and Baker remain the only Black managers in the MLB. It wasn't until 1992, when Cito Gaston led the Toronto Blue Jays to their first World Series, that a Black manager had hoisted the World Series trophy. Observe the players on the Phillies and the Houston Astros. This world series there 'will be ZERO US-born Black players in the MLB World Series' for the first time in over 70 years but Astros' manager Dusty Baker could become third Black manager to win the World Series.

So, I am saying it loud… Here we go, Dusty Baker 73 years young. I hope that you as the manager of the Houston Astros win the 2022 World Series. Sister Wanda is rooting for you!! Take me out to the ball game...

Declaration Brother Robert Love

This is my Bible. I am what it says I am. I can have what it says I can have. I can do what it says I can do. Today I will be taught the word of God. My mind is alert. My heart is receptive. I'll never be the same again. In Jesus' name. Amen
