Dear Supporters and Friends,

Thank you for your prayers over the last month! We have had a fruitful start to the fall ministry season and are excited to share several important steps forward that the Lord has orchestrated in our ministry.

At the Bible Center in Paris 13th, we recently began an Alpha Course Bible study on Thursday evenings. The name recognition of the course has brought several visitors our way. One lady, Rosa, has attended several studies and seems very spiritually sensitive. However, she is still struggling to move beyond the idea that good works are necessary for salvation. Please pray that she will come to understand the grace of God and the gift of salvation through faith in Christ.

We would also like to share the story of a young woman named Manuella. She visited the Bible Center for a few weeks but then suddenly disappeared. After sending her a few messages, Kyle finally heard back from her a month later. She explained that she had been hospitalized and unable to respond. By that point, she was well on her way to recovery, so he went to visit her in the hospital. After a long conversation about God's love for her, she bowed her head and prayed to accept Christ as her Savior. We are rejoicing in this wonderful step and praying for her continued growth in the Lord!

We have also seen encouraging progress in Mantes-la-Jolie. The growing involvement of the church members has been a real blessing. One lady in particular, Isabelle, has been speaking with me about baptism. Recently, she shared that her husband, Victor, has also accepted Christ and is working up the courage to join her at church. We are praying for Victor as he begins his walk with the Lord!

Many of you are also wondering how Trip, Theo, and Inès are doing. They are all doing well! Trip is taking part in the brass orchestra at school, playing the trumpet. Theo celebrated his sixth birthday with his friends at the end of October. Inès is as cute as ever and is quickly becoming quite the independent little girl! We are so proud of each of them and are grateful for your prayers as we raise our little ones to love Jesus, who loves them so dearly.

Thank you for your continued prayers and partnership in the ministry here in France!

In Christ,
The Guins Family
