Opportunity to Do Good

We live in the land of opportunity. Every person has the opportunity to do an extremely vast number of things each day. We have choices when it comes to employment. We have choices when it comes to living. We have choices when it comes to entertainment. We have so many choices that usually we have a hard time choosing what we are going to do.

Many times, if we are honest, we have so many choices that we are distracted to what is really important. Notice Galatians 6:9-10: "And let us not be weary in well doing: for in due season we shall reap, if we faint not. As we have therefore opportunity, let us do good unto all men, especially unto them who are of the household of faith." I believe there are four important words in this passage: if, not, op-portunity, do.

IF. The truth is that not one person is forced to be a Christian and live the Christian life. "IF" we are willing to live the Christian life we can do good.
NOT. IF we are willing to do good and IF we are willing to faint NOT then we can be people who follow after Christ. The NOT means that we must be willing to never give up.

OPPORTUNITY. Each of us have the OPPORTUNITY to do good in our lives. It is right in front of us and we must be willing to open our eyes.

DO. We must be willing to DO good. Not wait for someone else to DO good but willing to find people to help.

The truth is that we have so many opportunities. Opportunities to invite someone to Church. Opportunities to help someone who is hurting. Opportunities to change lives if we are willing to do good. Someone is depending on you!

There will be a meeting to explain the Seat Greeters and Lobby Greeters system on October 21, at 6:30 pm. If you are interested in serving in this area, please come a few minutes early to Wednesday night Bible Study and learn more on what you can do for the growth of this congregation.

You're not obligated to win.
You're obligated to keep trying to
do the best you can every day.

If Christians really believe heaven and and hell are real, that Jesus died for your sins, and that He is the only way to God, then telling you about Him isn't pushing religion.

It's one of the greatest acts of love we know.

From a Chrisitan world view, staying silent while believing someone is separtated from God wouldn't be loving, it would be indifference.

That's why we speak. Not because we think we're better than you, but because we know we're not. We're sinners who found the Savior who changed everything, and we want you to know Him too.

We don't share Jesus because we want to win an argument. We share Jesus because we believe eternity is real, and love doesn't stay silent.
