GOD HAS MORE

directions

Before Prop Talk Begins

1. **Place** the 5 loaves and 2 fish inside lunch box.

Prop Talk

1. **Open** lunch box and **count** the fish and bread inside with your kids.

Say: Friends, this is my lunch. Let's see if seven pieces of lunch is enough to share with all of you! Count with me!

2. **Count** how many kids are in your room together. **Note:** *If you have seven or fewer kids, skip to step 3.*

Say: Oh boy. That's more than seven. I don't have enough to feed everyone here. That's too bad. But … I wonder if I have enough lunch to share with all the moms and dads and friends at church today. Do you think I have enough?

3. Kids **respond**.

Say: What about if I wanted to feed 5,000 people? That's a lot of tummies! Would this lunch feed them all?

4. Kids **respond**.

Say: It's too big for me to feed 5,000 people with this lunch. But nothing is too big for God! In the Bible, it says He fed 5,000 people with only seven little pieces of lunch!

5. **Chant** together, "Nothing is too big for God!" to celebrate God's miracle.

6. **Say** "Say With Me" listed on the front.

7. For age 4, **ask** "Questions" listed on the front.
