PASTOR'S PARAGRAPH

In 1907, famed British writer Rudyard Kipling won the Nobel prize for Literature. One of his most famous works is the children's book, "The Jungle Book" which was adapted into a Disney animated movie in 1967. At the height of Kipling's earning power, he was reportedly paid ten shillings per word. In US dollars that would be about $84 for every word he put on paper. Not too bad!

Two students at Oxford University allegedly sent Mr. Kipling ten shillings in an envelope and asked him to send back one of his best words. By cable, Kipling sent them his favorite word: "Thanks".

Of all the words in the English language one of the most beautiful is the word, "Thanks." Thanks appears about 85 times in the Bible. The word thanksgiving appears roughly 25 to 72 times in scripture depending on the translation.

During the month of November we are reminded of the words "thanksgiving" or "thanks". At all times of the year we ought to pause daily and thank our Lord for his many blessings such as health, family, employment, our church, etc.. Most importantly, we ought to thank our Lord Jesus for his sacrifice on the cross that paved the way for us to experience life abundantly and eternally.

One of the verses we should memorize is Psalm 136:1 where the Psalmist writes, "Give thanks to the Lord, for he is good. His love endures forever."

I Am Thankful To Be Your Pastor
