Noel's Notes

Last Sunday was a special day as we honored our wives and mothers, and gave thanks for all they do to bless our lives, our homes, and this church! I appreciate the excellent way **Kevin Stewart**, **Chris Randolph** and **Jim Randolph** lead our song services. I hope all of us offer a word of thanks each Sunday to those who lead us in worshiping our heavenly Father.

We begin our summer worship at 9:00 a.m. and Bible classes at 10:30 a.m. I truly love our combined worship assemblies, and there is a prevailing spirit of joy and energy, and the singing is amazing! You may find yourself sitting close to someone this morning you normally do not see when we have two services. Be sure to greet everyone around you, especially those you do not know well. If you are a guest today, we are extremely honored you have chosen to worship with us. Please come again!

Today is our annual Baby Sunday when we celebrate the babies who have been born or adopted in the past twelve months, and we pray for their families. This year we have 11 precious babies. Our morning assembly will be led by fathers and one grandfather of our newborns. Today is a reminder that we need to pray every day for our young parents and children and ask God to bless them.

Because of Baby Sunday there is no Children's Worship this morning. We do provide an attended nursery in rooms 126 and 127 for small children, birth to age 3, during our morning service. There are also training rooms available at the back of the auditorium where parents may take their babies if they wish to remain with them during services.

We love children at College Church! And our Security Ministry is doing everything possible to keep them and all members safe when we are gathered. In that effort, the decision has been made when you arrive or leave our worship assemblies and Bible classes, all entrances will be unlocked. However, after our worship and Bible classes begin, only the Main Entrance to the Welcome Center and the North Entrance will be unlocked. You are able to exit any door at anytime. But limiting access to enter the building is a necessary inconvenience to help ensure the safety of everyone. Thank you for your understanding.

The school year has come to an end, and now begins the busy summer season. Many of us will be involved with mission trips, church camps, family vacations, and countless other activities. The College Church family does not slow down much during the hot summer months. After Baby Sunday, VBS will be in June, and then we will begin to gear up for the School Supply Drive and the start of the fall semester. Just because it is summer time does not mean there are not numerous ways you can be involved in ministry opportunities. Be sure you are listening and watching for ways you can be of service.

Church Exits

Beginning this morning all entrance doors of the building will be locked, for security purposes, during Worship and Bible Classes. The only entrances into the building that will remain unlocked at all times, will be the Welcome Center Entrance and the North Entrance next to the main kitchen. We would appreciate your cooperation, by using the main entrances indicated, if at all possible. Be reassured, you are still able to exit any door.

Thank You

My heart is overflowing with a sense of wonder and thankfulness for the many acts of kindness bestowed upon me by so many of our faithful members of College Church while recovering from my pelvic fracture. You have made my recuperation so much easier with your visits, cards, food, driving me to places I need to go while unable to drive and just knowing that you will spend time to do so much for others. Thank you so much.

Carolyn Kenney

Thank you so much for the graduation gift! That Bible is very special to me. Thank you so much for the love, encouragement and support you have shown me throughout the years. I greatly appreciate everything you have done for me. **Asher Patten**

Senior Servants - Harry Riggs

Please check your email and your mailbox for a Seniors Ministry Survey. You should have received it both ways this past week. It was sent both ways to make sure that all seniors would have a copy and that you could respond whichever way you prefer. Print copies are also available this morning in seniors Bible classes in case there are those who don't want to use the email and have misplaced their print copies.

Please respond by June 9 and let me know your thoughts about the Seniors Ministry. We are trying to improve the ministry and make sure it meets the needs and interests of our senior servants. Thanks for your help!

ROCK HOUSE ORIGINAL MINISTRIES

Todd & Debbie Gentry

Remember the one college Bible discussion for the Summer in Family Room 121. Join us for "UNAFRAID".

Don't forget about summer Summit in the Family Room on Wednesday nights @ 7 p.m. This summer's theme is "Empower."

We have been in St. Lucia leading a team of 13 on a summer mission. Your prayers are coveted as this is the first time since the death of Botham Jean. This situation has given both opportunities and hardships. Please pray for our outreach to the community, health for the church, and healing for the family. We will be back next Sunday.

This year we were able to teach in the school, visit the hospitals and nursing homes, help the poor, love the orphans and incarcerated, lead a day camp, evangelize the neighborhoods, teach the Bible, direct the teens, and encourage two churches. It is amazing what God is doing.

There are many students on summer mission teams. Thank you for your support and prayers. Some plant and others water, while God gives the increase.
