PASSAGE RETELLING

Long ago God spoke through the prophets. Now He has spoken through His Son, the One through whom He made the world.

Jesus is the radiance of God's glory and the exact imprint of His nature. Jesus shows us exactly what God is like because He is fully God. He holds all things together by His powerful word.

The Son became human and came to save sinners. After making purification for sins, He sat at God's right hand. He rules forever and loves what is right.
