Choosing Joy

Sermon Discussion Questions

1) How dependent are you on your circumstances to bring you joy? How often do you think of Jesus' life, death, and resurrection as the root of your joy?
2) Do you find it hard to choose joy? Can you think of a recent time when you chose joy in spite of your circumstances?
3) Consider the four text discussed in the sermon: Hebrews 12:1-2, John 15:9-11, Romans 5:1-5, and James 1:2-4. How do you respond to each of them? How specifically do these passages impact our understanding of joy?
