NOVEMBER 2026

NEW PICTORIAL DIRECTORY

At Athens Christian Church, we are more than a group of people who gather on Sundays—we are a church family! With so many new faces and growing families, we want to make sure everyone feels known, loved, and valued.

Our hope is that EVERYONE who comes and goes from ACC will be part of our new 2027 Pictorial Directory! Whether you've been attending for 50 years or just started coming, we want YOU to be included!

This directory is about so much more than names, pictures, and phone numbers. It's a tool to help us get to know one another, pray for one another, and find ways to serve one another. It helps us put names with faces, welcome new families, and build relationships. Our goal is for everyone to update their photo since we plan to use this directory for the next several years!

We can't wait to see all the faces that make ACC such a special church family!

New 2027 PICTORIAL Directory

With so many new members and growing families, we are making a **new pictorial directory** beginning **Sunday, November 1** and continuing every Sunday in November in the Family Life Center.

Our "Family Life Center" Facilitates Healthy Connections & Relationships!

Our hope is to use chair aerobics, pickleball, basketball, archery, volleyball, shuffleboard, etc., to fill both the needs of lonely people and our campus seven days a week! For several years at ACC, we've been connecting people to the local church and to the Lord through sports and recreational ministries. Everyone is welcome. If you'd like to participate or to help us provide these kinds of opportunities, please speak up or show up now!

Excel in this Grace of Giving: 2026-2028

Back in the 1990s, ACC's leaders resolved not to continue building or remodeling at our old Main Street location. We prayerfully concluded our church family's best future was to relocate. We studied a half-dozen sites for a new church campus until prayerfully choosing our current 25 acres. We knew it would be expensive, but we believe the mission for Christ is worth it all! Since then, because our congregation is self-supporting, we've hosted several capital stewardship campaigns through the years to fund our efforts. Last Fall, our Bible studies highlighted Bible people who inspire our faith, commitment, finances, generosity, and sacrifice. We invited everyone, by faith, to make a 3-year commitment, over and above our regular giving, during the years of 2026, 2027 and 2028, to help eliminate our church debt, which is now in the $800,000s. The New Testament says, "Just as you EXCEL in everything: in faith, in speech, in knowledge, in complete earnestness and in your love for us, see that you also EXCEL in this Grace of Giving" (2 Corinthians 8:7). This "faith promise" is between you and God as you're saying to Him, "Lord, if You provide, I will give $____ by faith during the next three years of 2026, 2027 and 2028, with no obligation if my life situation changes." The decision to align your financial choices with your faith is pivotal. At ACC, we value Giving! Please pray daily for such grace from God so each of us will EXCEL in this Grace of Giving. A healthy, local church is the hope of the world! There are a lot of great causes, but this outranks them all! Thank you for your prayerful consideration and participation!

The Next Chapter: Moving Forward in Faith

It's bittersweet to say, but I've made the decision to step away from my role at Athens Christian Church at the end of this year.

I feel so fortunate to have had a loving, supportive church family at ACC my entire life, and I look forward to continuing to serve at ACC in some of the ways I loved long before I was ever on staff. And while I won't be on staff as a minister, I will continue to attend and serve at Athens Christian Church.

I'm grateful for how God continues to guide my path, for the opportunities He's already put in front of me, and for the ones I haven't even imagined yet. I'm very much looking forward to seeing what He has for me on the other side!

Rooted

If you haven't seen me recently, that's because I am currently on leave due to the birth of my son, Forrest. I will be back late November! If you have any questions regarding Youth Ministry, please contact the Church Office! Don't worry though, we still have lots of things going during the month of November! One of my favorite events each year is our Friendsgiving, and it's right around the corner on November 18, from 6:00-8:00 PM! This is for anyone in grades 7-12! Come join us for a free dinner, fun with friends, and win some prizes!

We're already getting excited for CIY Move next summer! This week is always a life-changing experience for our high school students—five days of worship, teaching, and community that God consistently uses to deepen faith and introduce the love of Jesus to students for the first time. We have a limited number of spots left, and they're going fast, so if your student wants to be part of it, don't wait to register! It's going to be an incredible summer, and I can't wait to see how God continues to move in our students' lives in the months ahead.

Youth Sunday is coming up on December 13, and we need JH/HS volunteers! Scan the QR code to find a spot where you can serve! After church that day, there is a group from the church that will be going caroling! We will take a group of JH/HS students to go as well. Let us know if you are interested in being a part of that!

A Thankful Heart Is Good Medicine

Proverbs 17:22a – "A cheerful heart is good medicine."

November is the perfect time to help our kids slow down and recognize the many ways God has blessed them. Gratitude brings joy, changes our perspective, and reminds us of God's goodness in both the big and little things.

Here are a few fun ways to practice thankfulness at home:

- Thankful Tree: Make a tree from construction paper and add a leaf each day with something your family is thankful for.
- Thankful Pumpkin: Use a pumpkin as a family gratitude project! Each day, write or draw something you're thankful for on the pumpkin.
- A–Z Thankfulness Game: Take turns naming something you're thankful for beginning with each letter of the alphabet.
- Thankful Prayers: At dinner or bedtime, have each person thank God for one specific blessing from that day.

As parents, grandparents, and church family, we have the opportunity to model gratitude for the children around us. Let's help our kids notice God's blessings, thank Him for His goodness, and develop thankful hearts that last far beyond November!

🎄 **Jingle to the Manger!** 🎶

Calling all 1st–6th graders! This Christmas, we're inviting YOU to be part of Jingle to the Manger: A Kids Christmas Musical! Whether you love to sing, act, or simply want to have fun with friends, there's a place for you. Together, we'll tell the Christmas story in a fun and meaningful way as we remind everyone that through all the lights, presents, music, and excitement of Christmas, Jesus is the greatest reason to celebrate! Practices will be every Sunday in November from 2:00–3:30 PM, with our final practice on Saturday, December 5 from 9:00–10:30 AM. The musical will be presented Sunday, December 6 at 4:00 PM, followed by a cookie fellowship! 1st–6th graders, sign up and come Jingle to the Manger with us! ❤️🎄

Christmas Candle Lighting

ACC will once again participate in a special Christmas Candle Lighting to celebrate the birth of Christ. A candle will be lit each Sunday for the five weeks before Christmas to celebrate the Christmas story. Families participating include **Jay & Kristy Behrends, Erika & Ava Blakley, Rob Canning Family, Bre Chandler Family, BJ & Sheila Fitschen, Brandon & Shari Fletcher, Adam Goodey Family, Brett Harlan Family, Michael Heffern Family, Kyle Hopps Family, Ryan Knox Family, Noah Krause Family, Nick Pierson Family, Noah & Mia Neisler, and Marc Wozniak Family**

FUSE AFTER SCHOOL PROGRAM

MORGAN WELLS, DIRECTOR
MORGAN@ATHENSCHRISTIAN.NET

During November, our “Make It Your Own” theme at FUSE will focus on “Thank Him.” Throughout the month we want to help our kids slow down, notice God's goodness, and practice gratitude—not just because Thanksgiving is coming, but because thankfulness is an important part of following Jesus. There is so much to be thankful for at FUSE. We're thankful for the kids God brings through our doors each afternoon, the families who trust us with them, and especially the staff who show up each week to love and serve them.

This month we'd love to invite our church family to come alongside our FUSE staff through prayer partners. We're looking for people who would be willing to “adopt” one of our staff members and intentionally pray for them throughout the school year. Pray that God gives them patience, wisdom, energy, and opportunities to show His love to the kids they interact with each day. If you’d like to be a prayer partner for one of our FUSE staff members, please email me at morgan@athenschristian.net or find me at church.

Our theme this year comes from 2 Timothy 1:5, where Paul reminds Timothy of the sincere faith he first saw lived out in his grandmother, Lois, and his mother, Eunice. We know the adults and teenagers surrounding our kids have an incredible opportunity to influence their faith, too. As we teach our kids to “Thank Him” this month, we're also thanking God for the people He has placed at FUSE—and asking Him to continue working through them!

Thank You from Ministers

This past month we have felt the love and support from our church family in so many ways! The treats in the office, the gift cards, monetary gifts, words of encouragement, and most of all the many, many prayers are so appreciated! We consider it a joy to serve here at ACC! Thanks for making us each feel so loved this year during Pastor Appreciation Month! Ken, Shane, Evan, Ashley, and Lorna

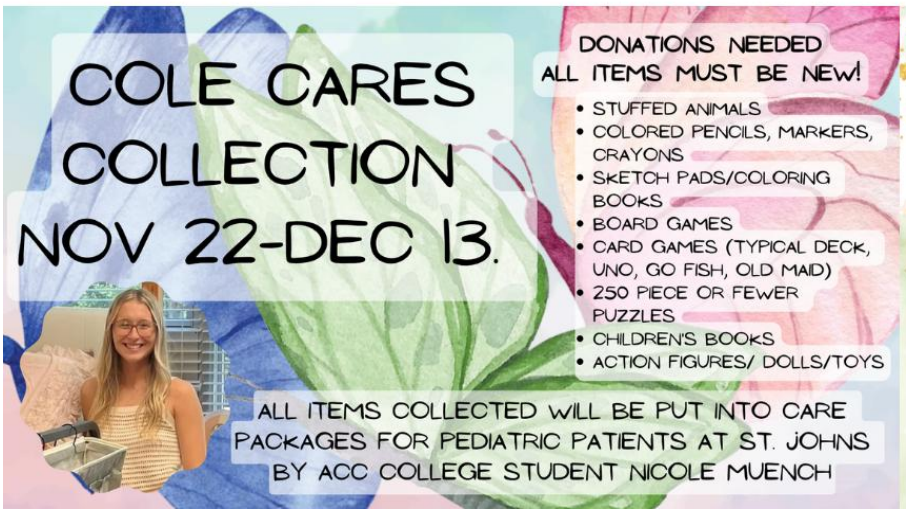
Redemption Church Plant Update from ACC's Timothy- Blake Canterbury

God has been working amazing things in our Redemption Church family in Southern Wisconsin! So far this year we have seen:

- 11 people come, give their lives to Jesus, and publicly announce that with baptism!
- 8 New church members & an average weekly attendance of 50 people
- Invited over 500 people to church & VBS through face painting at our county fair
- Partnered with two other churches to have a community VBS where we averaged around 90 kids per day
- Pulled a giant inflatable Elmo in our bi-annual Cheese Days Parade, while handing out around 3,000 invites to church
- We added a pre-school to our Redemption Kids ministry on Sundays
- Have around 80% of our average weekly attendance in a weekly small group

We are so humbled to serve and see what God is doing in our young church family! One of the big moves we are working on is actually moving locations! We have been a setup and teardown church every Sunday at our local Middle School for our 4 years of existence. We are looking to lease a location that will allow us to have more discipleship, prayer, and events during the week, while also helping our volunteers to no longer have to setup and teardown each week too! This is a crucial move for our church to grow, mature, and continue to set roots in our rural community!

Thank you so much for your support and we are beyond grateful for you all!
May the Lord bless and keep you!



Thankful for our volunteers!

Serving Together. Making a Difference. At Athens Christian Church, we are incredibly thankful for the many volunteers who faithfully give their time, talents, and hearts to serve God and others! From welcoming guests and teaching children to preparing meals, caring for our building, and serving behind the scenes, every volunteer plays an important role in the life of our church. Thank you for being the hands and feet of Jesus! We couldn't do all that we do without you! We are so thankful for each of these ministry teams and we invite you to find out more about finding your place to serve!
