HOPE

Sometimes life looks a lot like a stump. Something has ended, something is gone, and it's hard to picture anything growing from what's left. But Isaiah 11:1-9 says that from the stump of Jesse, a new shoot comes up. It's a little green sign that God isn't done with this story yet.

And what a story it is: a leader guided by the Spirit, and a world where the wolf and the lamb share a home and the lion eats straw. That's not just fewer arguments. That's all of creation held in God's peace. What might change if we started living like it's already on its way?

CARRY THE LIGHT INTO ADVENT

Today we begin Advent—a season of slowing down, making room, and preparing our hearts for Christmas. Like leaving a light on for someone we love who is coming home, Advent reminds us that hope is on the way.

Today we light the first candle on the Advent wreath. Over the next four weeks, the light will grow brighter as we move toward Christmas. In a season that can easily become filled with noise and hurry, Advent invites us to pause, breathe, and remember what—and Who—we are waiting for.

Take the light of Advent with you this week. Make a little room each day for hope, peace, and reflection. Watch for the next candle, join us throughout the Advent season, and let the growing light remind you that Christ is coming.

PULL UP A CHAIR FOR CHRISTMAS

Christmas Day is better when it's shared. Good food, familiar faces, a few laughs, and the simple joy of being together can turn a holiday meal into a wonderful Christmas memory.

Join us for the Christmas Day Luncheon at 11:30 AM on December 25. **Tickets are on sale now**, so don't wait until the last minute. Bring a friend, invite a neighbor, or come ready to meet someone new.

Whether you come with family, friends, or on your own, there's a seat at the table waiting for you. Let's make Christmas Day a little warmer by sharing it together.

YOUR HOLIDAY SHOPPING STARTS HERE!

Next Friday and Saturday, Lakeview becomes a holiday shopping destination! The Holiday Craft Fair is filled with handmade gifts, jewelry, home décor, baked goods, and plenty of unique finds you won't see in a big-box store. It's the perfect place to find something special—or discover a little something for yourself.

Need a bite while you shop? Breakfast and lunch items will be available, with proceeds benefiting the LUMC Men's Group. Bring a friend, enjoy the morning, and take your time exploring everything the fair has to offer.

Mark your calendar and make plans to join us! Friday and Saturday, December 4 & 5, from 9:00 AM–2:00 PM.

THERE'S STILL TIME TO MAKE CHRISTMAS BRIGHTER

The Toy Drive is in its final stretch, and there's still time for Lakeview to help make Christmas a little brighter for children in our community. Every gift placed in our Toy Drive boxes can help bring excitement, joy, and a special Christmas morning to a child served by Valley View Food Bank.

This week, take a moment to pick up a new toy, game, puzzle, book. Older kids appreciate gifts like perfume or cologne, nail polish, card or board games.

Pick up one extra gift this week. Bring it to the Toy Drive boxes in Smoot Hall by Sunday, December 13. If shopping isn't possible, a financial gift can help fill the gaps. Let's finish strong and make sure more children have something special waiting for them on Christmas morning.
