BPF Short-Term Mission Trip Plans for 2027

If you are interested in hearing more about these trips fill out the interest form using the QR code below.

Kenya

July 6-16, Estimated Cost: $3000

Since 2008 we have partnered with The 410 Bridge in Kenya. For a dozen years we served the community of Endana, a very poor, rural area north of Nairobi near the equator in an area generally called Segera. Endana graduated from The 410 Bridge Model in 2020. Building on the foundation laid by previous trips to Mutirithia, the 2027 team will work alongside the people we have developed relationships with.

The projects will likely include interaction with school children, visits in villagers' homes as well as their churches. In addition, the 410 Bridge has been very successful helping many locals establish small businesses through a basic training program. Travelers will get to meet some of these business owners and see how 410 Bridge is helping to establish a solid economic foundation for local residents. The team will also enjoy two days of safari at the end of the trip before leaving Kenya.

Seattle, Washington

July 10-17. Estimated Cost: $1100

BPF has been sponsoring the work of The Mountain Church since it was planted seven years ago. Even though the Seattle area is generally not open to the gospel, The Mountain Church is breaking through cultural barriers and successfully reaching people in the area south of Seattle.

Our team will be serving alongside Mountain Church members to help lead a Vacation Bible School in the neighborhood of Federal Way, just outside of Seattle. This trip provides an opportunity to see how church planting carries the Good News of Jesus to people who have never heard the Gospel.

BPF Short-Term Mission Trip Plans for 2027

Bulgaria

June 26 – July 5. Estimated Cost: $2500

Each summer we work with our church partners in Holy Trinity Christian Church Sophia, Bulgaria, and Pastor Grozdan Stoevski to help administer ***a camp for families of special needs children***. This camp has had a huge impact on the lives of people in several cities in Bulgaria.

Leading up to the camp we conduct In-Service Training in a few schools for teachers and parents working with children with special needs. This trip also makes an impact on travelers from BPF as they get to build relationships with families with similar struggles in a very different and beautiful part of Eastern Europe. It is possible that the camp will not be offered in ’27, but we will be working with families that have special needs children. As such, we primarily, <u>but not exclusively</u> need team members such as therapists or teachers who have direct experience with special needs children or relatives with special needs family members. Others who have exposure in this area are encouraged to fill out the application. Also, if you do not have special needs expertise, we always need people to help with other aspects of the trip.

Bolivia

June 26 – July 4. Estimated Cost: $3000

Brazos Pointe Fellowship first sent a short-term mission team to Santa Cruz, Bolivia in 2008. Since then, BPF has sent at least one team almost every year. We are connected with multiple partners through Kairos Church in Santa Cruz, Bolivia, and a new partner church, Palabra de Dios, also in Santa Cruz.

Plans for the 2027 trip will be similar to trips in previous years where we split the week to work with each of our ministry partners, Amparo and Gracia. This includes helping with projects at each location and spending time with the students and families that each organization supports. Information on all of our Bolivian partners can be seen below:

BPF Short-Term Mission Trip Plans for 2027

Amparo (www.amparobolivia.org, Facebook and Instagram): Amparo Bolivia), a ministry with a mission "To end the sexual exploitation and trafficking of girls in Bolivia by providing protection, education, restoration and the love of Jesus."

Gracia (www.graciabolivia.com, Facebook and Instagram): Ministerio Gracia), a ministry with a mission "To present the gift of salvation through Jesus and the love of God by providing Christian services and helping children and their families in vulnerable communities according to what they need."

Kairos Church (Familia Kairos, Facebook: https://www.facebook.com/familiakairossc)
Iglesia Biblica Palabra de Dios (https://www.facebook.com/iglesiapalabradedios/)

Southeast Asia

Possible Spring Break and/or Thanksgiving holiday – Estimated Cost: $3000

DIY Trips Available for Small Teams

Our ministry in a "closed country" in Southeast Asia is built around a partnership with missionaries from our own church that uses sports camps, ESL Classes (English as a Second Language), and expanding business opportunities for the locals to form and build relationships.

- The local schools are very receptive to having our teams come in and work with students on their English skills which helps establish community relationships.
- Sports opportunities include offering sports camps for basketball and soccer or privates golf lessons.
- A new opportunity is now available to engage with coffee growers. Coffee is a large product in the plateau region near our partner's location. Engagement with these growers and processers helps develop relationships with a group of people with whom our partners would otherwise would have no connection. This team would help with the coffee harvest (November to January) to promote communications with the local community.

BPF Short-Term Mission Trip Plans for 2027

Budapest, Hungary

March 15 – 21 (Spring Break for many colleges and universities) – Estimated Cost: $2500

This trip was designed by our missionary partner in Eastern Europe for college-aged students to help spread the gospel within Budapest. This is a chance for students to live mission firsthand with seasoned sent-ones serving in the field. The entire trip is built around a laboratory setting. The week will be one that consists not only of learning about sharing in an urban setting but actually doing as well. Join IMB church planters, Journeymen, summer Interns, and local partners in meeting, sharing the Gospel, and discipling new believers.

Use this QR code to let us know of your interest. We will communicate details as they begin to be finalized.
