A Note From the Manager...

It is hard to believe that it is already November. We had two fantastic events during October, Men's Retreat and the Shotgunners Shootout! We also hosted 3 other groups that used Camp. Nothing that happens here would be able to occur if it wasn't for the volunteers that give their time to help us. The amount of people throughout the year that come alongside us is immeasurable. We just want to say THANK YOU!! Without your dedication and continued support of Camp we would not be able to do all that we do!

The dorm is quickly progressing. Vanities and countertops have been installed. Electric is finishing up. Plumbers have started to install fixtures. Tile is being laid. There is a lot happening and we are excited for everyone to see it!

Don't forget that we are now raising funds for the additional bunks that are needed because of the new dorm! We really appreciate your support!

Mark your calendars for our annual Family Movie Night on Fri, Dec 11. Doors open at 6:30p

Davey Blackburn, the speaker for Men's Retreat, taught through Psalm 23 and when he got to the last verse, verse 6, "surely goodness and mercy shall follow me all the days of our lives..." he pointed out that God's goodness and mercy are always following us, through the good times and bad. They are following us, meaning that we have to turn around and look back to see them. As busy as Camp is all year around, we are constantly looking ahead to the next event, next project, and get bogged down by the details, issues that arise, and fail to look back to see the goodness and mercy of God. We have to take time to stop, turn around, and look. When we do we will see God every step of the way. That has been SO true this year. Every.... Single... time God has shown up. Every time we have worried, stressed and been overwhelmed God has made his presence known.

As we head into the holiday season, my challenge to you is to turn around. Whether you have faced a year full of joy, a year of trial, or some where in between... turn around and look back... God has placed people at the proper times and places. Circumstances aligned for no apparent reason. You had peace when there was no peace. God's goodness and mercy has followed you every time.

As we begin to plan and prepare for 2027 please continue to keep Camp in your prayers. That we would recognize His continued plan for Camp Calvary, and that we would follow that plan. Thank you for your continued and much needed support; prayerful, financial and physical! We are so thankful for you!!!
