PROVERBS 27:17

The LEAD X Creed

I am making a commitment to these ideas and plans to the best of my ability.

1. **I get to. I don't have to.** My invitation to LEAD X is a privilege. My yes means I commit to the effort, and I will see it through for the full year.
2. **I will become more like Christ.** I want to grow as a spiritual leader at home, at work, and in the church.
3. **I will show up and do the work.** I will attend every live teaching session, with no exceptions. I will read the book each month and come ready to discuss it. I will dive into every assignment 100 percent. What I put in is what I get out.
4. **I will be honest.** I will be open with my brothers. I will engage in conversation that changes my life and theirs.
5. **I will carry my weight.** My assignments are for my good and the good of the group. When I fall short, I let myself down and I hold my brothers back.
6. **I will guard the room.** What happens in the group stays in the group. I protect our relationships and the integrity of our work.
7. **I will hold my leader to the same standard.** My LEAD X leader lives by this creed too. I am free to bring anything to him.
8. **I will lead where I am planted.** I will look for ways to serve and lead at City United. I will steward my influence and my platform for Kingdom growth.
9. **I am in this with my wife.** I have talked with my wife about this commitment. She supports me as I take on this year.
10. **I will let God shape me.** Above all, I know this could radically change my life, grow my leadership, and deepen my faith in the Lord Jesus Christ. I will do all within my power to let Him mold and shape me this year.
