

The Greatest Commandment

²⁸ And one of the scribes came up and heard them disputing with one another, and seeing that he answered them well, asked him, “Which commandment is the most important of all?” ²⁹ Jesus answered, “The most important is, ‘Hear, O Israel: The Lord our God, the Lord is one. ³⁰ And you shall love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.’ ³¹ The second is this: ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these.”

Are You All In?

As summer winds down and a new school year begins, it's time for our youth to step into a season of growth — spiritually, socially, and academically. This fall, we are walking through the book of Acts on Wednesday nights, encouraging students to build their identity in Christ and how to live out our faith in our daily lives.

Our kickoff for fall begins on August 9th at 5:30pm with an “OPEN HOUSE” in the Upper Room. Whether your student is heading into 6th grade or their senior year, this is their time to be ALL IN!

Parents, your partnership is the foundation of what we do. This month, we encourage you to have a conversation with your student about what they are learning as we walk through the book of Acts. Here's a simple conversation starter to try at home:

"What is one thing you can share with me about what is happening in the book of Acts?"

"How can you apply this to your daily walk with Christ?"

Small conversations at home can have a profound impact. You don't have to have all the answers — just being present and asking the question matters more than you know.

Challenge:

This Month's Challenge for Every Student:

READ a chapter of the book of Acts each week.

Here are some simple ways to encourage your reading habit...

-  Write down a question you have about what you have read and share it.
-  Set an alarm on your phone to remember to read.
-  Share a story about what you have been reading this week.
-  Write down in your journal or planner what you find most fascinating on what you are reading.

Faith grows when we understand His word and who we are in Christ.
