Young at Heart Ministry Continues to Grow Fellowship, Service, & Purpose By Mike Neff

The *Young at Heart* ministry continues to strive, thrive, and be alive as a vibrant community of fellowship, outreach, and service for older adults for our chronologically superior.

Recently, 44 participants enjoyed a memorable adventure exploring the Oklahoma City Botanical Gardens, followed by a fun outing at an Oklahoma City Comets baseball game and fireworks. The day offered time for connection, laughter, and shared experiences in God’s creation strengthening friendships within the group.

The laundromat outreach this week was a success, meeting people where they are with practical help, kindness, and spiritual encouragement. Through simple acts of service, we were able to invite others to church and to VBS.

Looking ahead, excitement is building for an upcoming lunch with Mayor Stan Booker on Monday, July 13. This special gathering will provide an opportunity for conversation, community engagement, and all the great things happening in our community.

In addition, a LINC training will be held on Thursday, July 16 from 8:30 a.m. to Noon in the church parlor, led by Greg McNeece. This important session is designed to equip church members to serve and meet the spiritual needs of the aging population with compassion, confidence, and meaningful ministry connections. Participants will gain practical tools for building relationships and offering support that reflects Christ’s love in tangible ways.

Through events, outreach, and training, *Young at Heart* continues to grow its mission of honoring older adults and empowering the church to serve with purpose and care. **Matthew 5:13-16**
