PRAYING FOR OUR CHURCH FAMILY AND BEYOND

WEEKLY PRAYER.

Troy Taylor
ASSOCIATE PASTOR

OUR GREATEST PRIVILEGE

Thank you for lifting LaRae and me up in prayer. Because of Jesus’s great sacrifice, we have direct access to the very throne of God!

FAITHFUL IN THE CALLING

Pray for our family, ministry, and God’s will to be accomplished for His glory.

HEBREWS 4:15-16

“For we do not have a high priest who cannot sympathize with our weaknesses, but One who has been tempted in all things as we are, yet without sin. Therefore, let us draw near with confidence to the throne of grace, so that we may receive mercy and find grace to help in time of need.”

Before the bell. After the bell. Together in prayer.

On Wednesday, September 23, students across our community will join thousands of students around the world for **See You at the Pole**, a student-led movement centered on one simple thing: prayer.

Before the school day begins, students gather around the flagpoles on their own campuses to pray for their friends, teachers, administrators, schools, communities, and one another. There's no stage and no elaborate program. Just students choosing to show up and seek God together.

But when the school day ends, we're not done.

That evening, students from across our area are invited to come together at **FBC Lawton** for the **See You at the Pole Rally**, a night designed to continue what began around the flagpole that morning.

Beginning at **6:00 PM** in the **Worship Center**, the rally will feature *guest speaker Jason Mick* and *live music with Davy Thompson*, along with an opportunity for students to worship, pray, be encouraged, and be reminded that they are not alone in following Jesus at their schools.

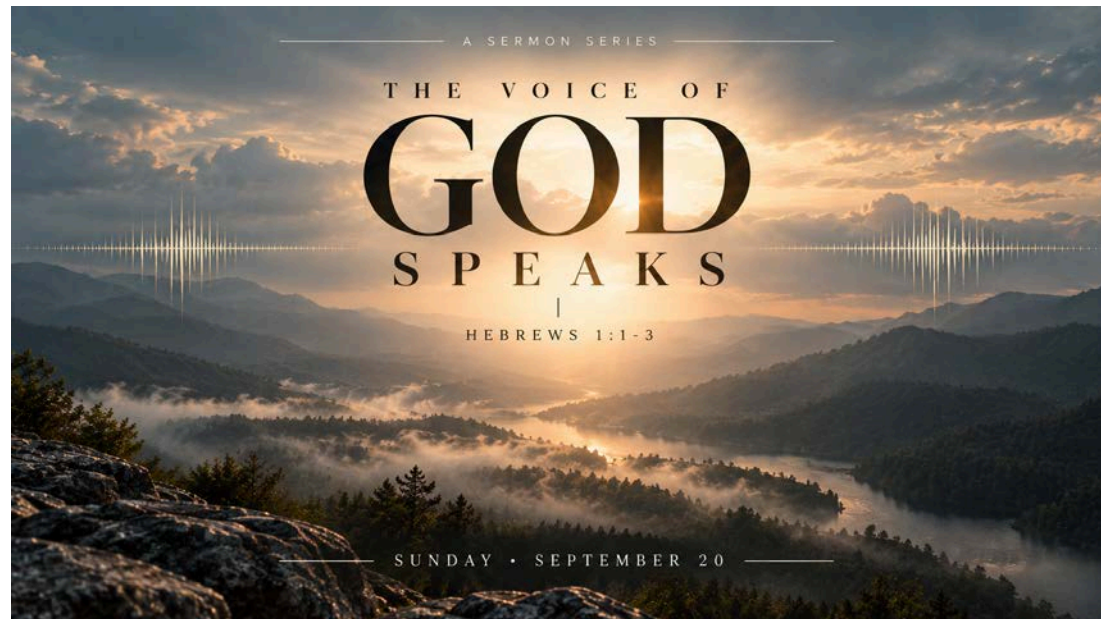

Church family, this is a night to get behind our students. Encourage the students in your life to participate, invite their friends, and join us for the rally that evening. Most importantly, pray for them as they step onto their campuses that morning, asking God to give them courage, boldness, and opportunities to live out their faith well.

See You at the Pole may begin before the first bell rings, but the heart behind it goes far beyond one morning.

Pray at your school. Then come worship with us.

HE STILL SPEAKS.

God has never stopped speaking. The question is: are we listening?

Today, Pastor Keahbone begins The Voice of God, a new sermon series about learning to hear, recognize, and respond to the voice of God.

We begin in **Hebrews 1:1-3** with a simple truth that will shape everything that follows: God Speaks.

MIDWEEK SERIES

THREAD PRESENTS
"LESSONS FROM THE LEASH"

Before Pastor Troy was a pastor, he spent years as a military and CIA dog handler, learning firsthand the importance of *training, trust, obedience, and discipline.*

Beginning **Wednesday, September 30**, he's bringing those experiences to **Thread in Lessons from the Leash**, a new series exploring how the principles of training point us toward the spiritual disciplines that shape a faithful life.
