### PLANTED IN FAITH. GROWING IN FELLOWSHIP.

I love the Spring and practically love the time change! Longer evenings of daylight is a plus. Life seems to make a comeback this time of year - flowers bud, trees turn green again, the days grow longer, and even the air feels fresher. In many ways, the season itself preaches a gentle sermon: what looks dead is not always gone, and what feels dormant may simply be waiting for God's appointed time to grow again. For those of us in the Young at Heart ministry, Spring is a reminder that God is not finished with us yet. As long as He gives us breath, He is still writing new chapters in our lives.

Scripture tells us that God delights in doing something new in and through His people. Isaiah 43:19 says, "Behold, I am doing a new thing; now it springs forth, do you not perceive it?" In springtime, we can almost see that verse in the world around us. The same God who wakes up the flowers and trees is the God who renews weary hearts, restores fading strength, and refreshes our joy in Him. No matter our age, the Lord can still grow new faith, new courage, and new opportunities to serve in our lives.

So as you enjoy this season—whether it's a walk in the neighborhood, watching the trees from your window, or simply noticing the longer evenings—let it point you to the faithfulness of God. He has carried you through many seasons already, and He is with you in this one too. Ask Him to show you the "new thing" He is doing in your heart, your relationships, and your service. Spring reminds us that in Christ, there is always hope, always renewal, and always a reason to look forward as we strive, thrive and be alive!

Mike Neff, Senior Adult Pastor

Christ Led. Body Engaged. Gospel Centered.
