

Make Room

This Week at Whiteflag

● OUR MESSAGE

The MDWK lesson challenges students to see how Jesus showed compassion even when it wasn't convenient, and how we can intentionally make space for compassion in our everyday lives.

Our message is called **Make Room**, built around one truth we want students to remember:

“Jesus made room for you. Make room for others.”

● WE'LL CHALLENGE STUDENTS TO

01
SEE THEM

02
MOVE TOWARD THEM

03
POINT THEM TO JESUS

● THE GOSPEL CONNECTION

Students will think about the people around them who may feel overlooked, lonely, or hurting, and identify one person they can intentionally show the love of Jesus to this week. Most importantly, we'll see how the compassion of Jesus ultimately points us to the gospel: Jesus saw us in our sin, moved toward us, gave His life for us, and rose again so that we could be brought back to God.

 ON THE RIDE HOME

Try asking this in the car this week: “Who is someone God has put around you that you could make room for this week?”
