

FBCS Calendar of Events

2026-2027

Please transfer these school events to your calendar. Please note that dates and/or times are subject to change. Facebook and the school website butlerfbc.com will have posting of Upcoming Events. As much notice as possible will be given if a date and/or time changes. If you have questions, please call the person overseeing the event or the school office at (724) 287-1188.

Snow days, school closings or delays will be announced on WISR (680 AM) and Channels 2 and 11 News. Also, the school will contact parents by means of the "One Call" phone message.

Our school is tied into the Butler Area School District transportation system. Therefore, whenever the Butler Area School District cancels, delays, or closes early due to inclement weather or other emergency situations, our school will do the same.

If other school districts are closed due to severe weather, students in that district are not required to come to school. If they want to come to school, parents must provide transportation.
