94th Annual Bible Convention of the Apostolic Church of God

In 1932, the Apostolic Church of God was founded by **District Elder Walter Clemons** and the first bible convention was held. And each year since, the Apostolic Church of God has hosted its Bible Convention with teachers and preachers sharing the gospel, empowering the body, with enlightening lessons and sermons, along with great worship. This year, we celebrate our **94th Annual Bible Convention**, and our theme, *Moving into the New Season with God*. And in keeping with our historic journey, we have an amazing line up of God-led and Holy Ghost-filled teachers and speakers.

This year, our **4-day** bible convention is **Tuesday, April 21st through Friday, April 24th** with services at 12noon, 6pm, and 7:30pm nightly. Our 12noon guest speakers include: Dr. Marshall Hatch, Dr. Jeanne Porter-King, Dr. Rosa Sailes, and Pastor Philip France. Our 6pm evening speakers include: Pastor Smokie Norful, Dr. Timothy Clarke, and Eld. David Hollis. Our nightly 7:30pm speakers are: **Dr. Millicent Hunter, Bishop S.Y. Younger, Bishop Noel Jones, and Bishop J.W. Walker.**

We're closing out the convention on **Sunday, April 26th** with **one-service** beginning at **10:15am** and our guest speaker will be **Pastor Marissa Farrow**. Now more than ever we need to come together to hear what God has planned for His people, to get powerful teaching and spiritual instruction to help us on this journey. Make plans to be in the house every day of the convention. It will be historic.

The Consecration & Ordination of Bishop-Elect Dr. Byron T. Brazier

Apostolic Family we are on the cusp of a historic moment in the life of the Apostolic Church of God. Our Pastor, **Dr. Byron T. Brazier**, will be consecrated and ordained to the office of **Bishop**. We celebrate with gratitude and humility as our pastor is elevated – a calling that reflects years of *faithful leadership, spiritual wisdom, and steadfast obedience* to God’s voice. This election is not just a new title or position; it is a recognition of a life poured out in service to Christ and His people.

This moment represents a deeper commitment to shepherding God’s people beyond the walls of the church. The role of a **Bishop** is one of spiritual oversight, discernment, and care, while he guides pastors, strengthens churches, and continues to carry the mission of the Gospel with integrity and vision. This calling is rooted in *stewardship, faithfulness, and servant leadership*.

For the Apostolic Church of God, this election is both an honor and an invitation. It is an honor because our congregation has been shaped by a leader whose faithfulness

has now been affirmed by the wider church. The values we have learned – serving with humility, leading with integrity, and working as unto the Lord are the very qualities that have prepared Dr. Brazier for this moment.

It is also an invitation for us to grow. As **Bishop-Elect**, Dr. Brazier, steps into this expanded role, we are reminded that the church has never been built on one individual, but on the faithfulness of God. This season encourages us to pray more intentionally, to serve more boldly, and to step forward in leadership ourselves. Faithfulness is not only required of bishops and pastors, but of the entire body of Christ.

This is a momentous occasion, as there has never been a consecration and ordination service hosted at the Apostolic Church of God! Make sure you witness history on **Friday, April 24th @7:30pm**, our last day of our **94th Bible Convention**. We’ll celebrate this milestone with joy, gratitude, and hope, trusting that God’s hand is at work for our pastor, our church and for the greater work of His Kingdom. Glory to God!
