19. **Encourage a young family:** Offer a kind word, practical help, or a note of encouragement to a young family.
20. **Memorize this Scripture:** (Ephesians 2:7-10) Now God has us where he wants us, with all the time in this world and the next to shower grace and kindness upon us in Christ Jesus. Saving is all his idea, and all his work. All we do is trust him enough to let him do it. It's God's gift from start to finish! We don't play the major role. If we did, we'd probably go around bragging that we'd done the whole thing!
21. **Write an elevator pitch of your story:** Write a 30–60 second version of your faith story that explains who you are, how God has impacted your life, and why your faith matters.
22. **Ask God this daily for one week:** “Lord, put someone in my life that doesn’t know You.”
23. **Invite someone for coffee:** Listen and let them do all the talking
24. **Thank the one(s) who led you to faith:** Call, text, or write a letter if still living. If they are not tell someone related to them about their relative’s part in your life.
25. **Come to Worship with your neighbor.**
