Brad Dunn Foundation/Gap Scholarship - email Jennifer Passmore for more information

The Gap Scholarship is to help families cover the Gap between the State Scholarship and tuition. In order to allocate resources wisely and fairly, Woodland Community Academy uses the online Schools and Student Services (SSS) as the standard submission format and processor for all tuition assistance applications. The application process is self-guided and online. SSS does not decide whether tuition assistance will be given or how much will be given; rather, SSS provides a need based financial aid analysis service, which includes a recommendation of what a family should reasonably contribute toward tuition. All information from SSS is confidential.
