| <b>Theological Understanding</b> | Demonstrates an understanding of the doctrines addressed and accurately engages each category from a historically orthodox position.    | Shows general understanding but has some gaps, confusion, or oversimplification. Answers may not align with historical orthodoxy. | Significant misunderstanding or inability to explain the doctrine being addressed.                |
| <b>Biblical Support</b>          | Identifies relevant Scripture(s) for each major belief and demonstrates an understanding of how those passages inform their conclusion. | Includes Scripture references but connection between Scripture and belief is sometimes unclear or superficial.                    | Little or no biblical support. Verses, when used, appear disconnected from the claims being made. |
| <b>Clarity</b>                   | Writing is organized, understandable, and complete. Responses are concise but substantive.                                              | Generally understandable but some responses are unclear, disorganized, or excessively brief.                                      | Difficult to follow or substantially incomplete.                                                  |
