Opening

- The sermon opened with the excitement around the Artemis missions and humanity looking to the stars. Why do you think people are so fascinated with the future and space exploration?
- What are some ways people try to imagine or control the future?

1. The Great Host

- Why did Jesus' habit of eating with tax collectors and sinners cause controversy?
- What does Jesus' statement that He came for the sick, not the healthy teach us about our spiritual condition?
- Why is it important to remember that Jesus is the host of the Lord's Supper and we are the guests?

2. The Great Banquet

- How does the Lord's Supper serve as a preview or foretaste of the future God has promised?
- How does the promise of the future banquet in God's Kingdom encourage believers today?
- According to 2 Corinthians 4:18, why should we focus on things that are unseen and eternal?
- How can keeping our eyes on the future God has promised change the way we live right now? What is one practical way you can live this week in light of the future hope of Christ's Kingdom?
