

Investing in the next generation

• • •

The time is now to have a lasting impact!

Your partnership helps cultivate a rich and accessible education for local families.

about us

Redwood Classical Academy is a homeschool hybrid program dedicated to providing a relational, literature-rich education that supports both children and families. Through small classrooms, outdoor learning, living books, and intentional community, Redwood seeks to cultivate wonder, wisdom, and the lifelong love of learning.

smart ideas

Relational, wonder-filled learning through living books, nature study, narration, and meaningful community.

research

Rooted in the research and training of the Charlotte Mason Institute.

our strategy

Combines home-based disciplinary skills with rich community learning, small classrooms, and lots of time outdoors.

Redwood helped us believe we could homeschool—and that we didn't have to do it alone.

Call to Action

The time is now to invest in the education of the next generation.

our impact

- 95% of surveyed parents report being more than satisfied with RCA's programming.
- During the 2025-2026 academic year, more than 750 individuals have attended Redwood's Enrichment Day programming.
- 98% of teachers report witnessing students engaging meaningfully with beauty throughout the academic day.
- 100% of teachers report that they know their students personally and understand their individual needs.
- A total over \$300,000 raised to support the mission of RCA.

In a culture increasingly marked by hurried schedules, screen dependency, isolation, and standardized education, Redwood Classical Academy seeks to offer something different.

We believe children flourish when they are known deeply, surrounded by beauty, given meaningful ideas, and formed within strong relationships and community.

Your generosity helps make this kind of education possible. Through your support, families are able to access a relational and restorative model of learning that nurtures not only academic growth, but the whole child.
