Foundation 101: For new members or members wanting to renew their knowledge of the basic principals of our church history and beliefs. **Four week mixed study group led by Pastor Andrew in Community Room A.**

"Jonah - Navigating a Life Interrupted" by Priscilla Shirer. Interruptions in life can be difficult and sometimes instill fear. Like Jonah, sometimes we want to literally run away. In this 7-session Bible study, Priscilla Shirer redefines interruption and shows that life interruptions are actually God's invitation to do something big in our lives. When Jonah was willing to obey God, the result was a revival of an entire city. **Mixed study group led by Pastor Mignelis in Community Room B.**

"Now and Not Yet" by Ruth Chou Simons. Do you ever feel like your present moment is so far from where you really long to be, but the answer to all your prayers is "not yet"? This bible study explores six profound ways God makes His faithfulness known in the biblical stories of Abraham, Joseph, Israel, Hannah, and the Apostle Paul. As you encounter God through the pages of His Word, you'll see His ways, His character, His purposes, and His faithfulness in the lives of His people. No book required. **Women's study group co-led by Kim Kelsey & Shannon Shepherd in Room 105.**

In this twelve lesson study, we will peek into each of the dozen books we call the minor prophets, books that are often forgotten or neglected. Yet their messages are deeply relevant for today's believer. These exhortations are either calls to positive actions that honor God or warnings to stop attitudes and behaviors that dishonor Him.
