**June 7 - August 30**

## **NEW CLASS: The Familiar Stranger | Pastor Chris Nation | Room 3205 June 7-July 19**

Christians today are hungry for authentic spiritual experiences, yet all too often they don't have the knowledge of or relationship with the Holy Spirit. The confusion and unfamiliarity that surround the Person of the Holy Spirit, lead too many Christians either to sideline him or misunderstand what he means for their spiritual lives. For a generation searching desperately for an experiential spirituality, there's good news: the Holy Spirit's indwelling presence to empower and transform is freely available.

In *The Familiar Stranger*, Tyler Staton reintroduces you to this oft-neglected Person of the Trinity, tracing the story of the Holy Spirit as it unfolds throughout the Bible, and inviting you to close the gap between what Scripture reveals about the Holy Spirit and your lived experience.

*The Familiar Stranger* will challenge, inform, and encourage you, regardless of what type of church background you come from, to become more deeply acquainted with the Person and work of the Holy Spirit--and experience his transformative, life-giving power in your life. (Using video lessons from RightNow Media and facilitated by Pastor Chris)

## **NEW CLASS: The Gospel of John | Anna Fallon | Room 2107**

Together, we will engage the beautiful Gospel of John through the practice of narrative discipleship. We will be exploring how the stories of Jesus shape our faith, relationships, and daily lives. Together we will reflect on the people who encountered Christ, the questions they asked, and the transformation they experienced, discovering how God's grace and truth continue to call us into deeper discipleship today. Through Scripture, conversation, reflection, and prayer, we will grow together in faith and fellowship as we learn more of what it means to abide with Christ. Whether you are deeply familiar with Scripture or just beginning to explore it, all are warmly welcome to join this shared journey of learning and discipleship.

## The Life of Moses (Part 3) - Numbers: Trials in the Wilderness and Divine Guidance | Selina Li | Bride's Room

The Book of Numbers records Israel's journey from Mount Sinai to the edge of the Promised Land, highlighting both God's faithfulness and His people's struggles with faith and obedience. Through narratives, laws, and key events, we will see how God shapes His people, teaches them to trust Him, and prepares them for His promises. As we study Numbers, we will reflect on our own spiritual journey—learning to rely on God in times of testing, to grow in obedience, and to remain faithful in the process of transformation. This class is conducted in Mandarin for the convenience of the Mandarin speakers.
