The Master's Kitchen (Clergy Edition) — A 5-Part Curriculum Framework

Course Designation: MK-101 **Instructional Level:** Continuing Professional Education (CPE) / Ecclesiastical Leadership Training **Prerequisites:** None. Open to Marketplace Ambassadors, Ministry Leads, and Aspiring Professionals. **Course Credit:** 4.0 Continuing Education Units (CEUs)

COURSE DESCRIPTION

The Master's Kitchen (Clergy Edition) is a formal leadership seminar that rejects emotional manipulation and superficial entertainment in favor of structured, vocational excellence. Utilizing a proprietary "Kitchen Metaphor," this curriculum teaches leaders to treat their ministerial or marketplace assignment as a professional craft that demands strict compliance, high emotional intelligence (EQ), and operational transparency. Participants will learn how to audit their private character ("The Back Kitchen") to ensure that the delivery system of their leadership matches the pure, uncontaminated truth they are assigned to carry.

REQUIRED COURSE MATERIALS

- *The Holy Bible* (Focus Text: Titus 3:1-8 Operational Framework)
- *The Official Couch Experience Sanitization Log*
- *The 5-Star Ministry Health Inspection Scorecard*
