A LETTER FROM OUR SMALL GROUPS PASTOR

On behalf of the Oakwood family, I am delighted that you are interested in joining an Oakwood adult small group.

We encourage all adults—whether you are an Oakwood member or simply exploring our church—to become part of a small group. We offer men's, women's, and all-adult groups where people gather to study God's Word, encourage one another, and build meaningful, Christ-centered relationships.

Our small groups meet regularly both on the Oakwood campus and in homes and other locations throughout the community. We encourage you to visit several groups until you find the one where you believe the Holy Spirit is leading you to connect and grow.

If you have any questions about Oakwood small groups, please contact me by email at **dale.bynum@oakwoodnb.com** or by phone at **830-625-0267**. If you are interested in starting a new small group, I would be happy to visit with you about that opportunity as well.

Thank you for your interest in Oakwood small groups. We look forward to helping you find a place to grow in your faith and connect with others!

Dale Bynum, Small Groups Pastor

Discovering Doctrine

This class covers seven major areas of Christian doctrines: The Bible, God, Man, Christ, The Application of Redemption, The Church, and The Future.

You don't need years of Bible college or seminary training to benefit—the material is easy to understand and full of biblical answers to your biggest questions about the faith.

This is a 34-week class with a book and workbook. Each week, you will be expected to read a chapter from the book, complete the workbook exercise, and be prepared to participate in class discussion.

Andre Moubarak

The Bible Through
Middle Eastern Eyes

Andre, co-founder of Twins Biblical Academy, grew up in a traditional Aramaic Christian family along Jerusalem's Via Dolorosa, where he developed a deep love for Scripture and the land of Jesus' ministry.

This class invites you to rediscover Scripture through the language, culture, history, and worldview of the land where it was first lived and proclaimed. Rather than reading the Bible through modern Western assumptions, this class explores its original Jewish, Aramaic, and early Christian context, revealing fresh insights into familiar passages.

FAQs

Do you need to be a member to join a group?

Not at all! Whether you're brand new, checking out church, or you've been around for years, you're welcome to join a small group.

Is childcare available?

We know childcare can make all the difference! Most Sunday groups offer childcare, while other groups may not. Check the childcare symbols on each group's page for all the details.

Can I visit any group in the guide?

Absolutely! Every group in this guide is open, so feel free to check out one that fits you.

Can I visit multiple groups?

Yes—and we actually encourage it! Finding the right group is important, so visit a few, meet new people, and see where you feel most at home. There's no commitment to your first visit!
