Featuring Rev. Bryan Sawchuk, Juan Tobon & Laura Munevar – LaMun Duet

Rev. Bryan Sawchuk — Facilitator

Senior Minister, Unity of Fort Lauderdale

Now in his seventh year as Senior Minister of Unity of Fort Lauderdale, with roots in the Unity movement dating back to the early 2000s, Rev. Bryan Sawchuk brings a rare gift for holding sacred space while navigating the practical realities of leading a thriving spiritual community. His work draws deeply on advanced mysticism, metaphysics, meditation, and prayer — rooted in the teachings of Unity co-founders Charles and Myrtle Fillmore, the neuroscience of Dr. Joe Dispenza, quantum physics, and the Law of Attraction, for which he is a certified practitioner and coach.

In recent years his ministry has been shaped by the Spiritual and Emotional Maturity (SEM) principles developed by Rev. Toni Boehm, work he has made foundational to both his own daily practice and the direction of his community. Over the years he has facilitated countless classes, workshops, meditations, and retreats, guiding his organization through everything from the disruption of COVID to the sale and purchase of buildings — a rare blend of spiritual depth and steady, capable leadership.

Juan Tobon — Pianist & Keyboardist

Music Team Lead, Unity of Fort Lauderdale

An accomplished pianist and keyboardist with 15 years of classical and jazz training, Juan Tobon has performed at over 100 weddings and corporate events annually as a member of the Bay Kings Band since 2016, drawing from a repertoire of more than 1,000 songs. He has shared the stage with celebrated artists including Tito Nieves and Sheila E., and serves as Accompanist for the FIU Jazz Vocal Ensemble, directing the rhythm section and supporting national-finalist vocalists.

A graduate of Florida International University's Jazz Performance program, with additional training at the University of Central Florida and the Bellas Artes Music Conservatory in Colombia, Juan brings world-class musicianship — and a deep sense of soul — to every gathering he leads.

Laura Munevar — Singer & Songwriter

Music Soloist, Unity of Fort Lauderdale

Raised on salsa, merengue, and bolero from the age of three, Laura found her voice as a singer-songwriter through Florida International University's Jazz program, where rigorous vocal training, music theory, and ear training reshaped her ambition — from chasing stardom to simply serving the music. It was there, under the direction of Lisanne Lyons, that she came to see herself not as the next pop star but as a true musician.

Laura credits much of her growth to her longtime musical partner and now husband, Juan Tobon — her guiding force and mentor, who she says gave her the confidence to express herself musically. Together, she and Juan have curated an unforgettable musical experience for audiences everywhere, honoring the artists who came before them while carving out a sound entirely their own.
