2026 Project Book

What is *Kingdom Builders?*

Kingdom Builders is our way of bringing the good news of the gospel to all nations through a faithful community passionate about generosity. From kids to adults, the profile of a Kingdom Builder is the same.

You are a Kingdom Builder.

Kingdom Builders are committed to giving over and above their tithe to global missions, local projects, and meeting the needs of those among us.

As we band together, Kingdom Builders funds are deployed to fund projects that expand the Kingdom through gospel access, education, and ministry to the least of these.

Kingdom Builders has allowed us to move forward in generosity, be more strategic and more invested in building God's kingdom than ever before.

As a church, we have committed to giving a portion of every dollar that Connection Church receives through the tithe to support missionary personnel both locally and around the world.

Join us as God continues to use your generosity to do something powerful through Connection Church.
