A MESSAGE FROM THE ELDERS:

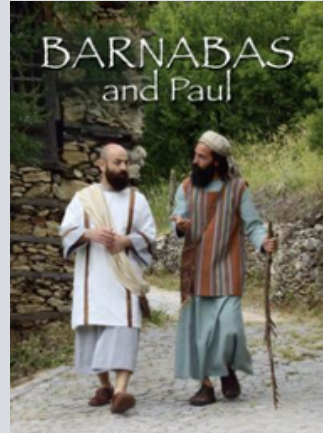

The definition of church: The community of people who follow Jesus Christ, rooted in the original Greek word ekklesia, which means an assembly or "called-out ones".

Note that church does not relate to a building or location but people. In studying the great evangelist Paul's life from Acts and his letters, he is never alone. He appeared to need others to assist him in his ministry. Even when Paul was under house arrest in Rome he was not alone. Read his closing words to Philemon (Phm 1:23-24)

Epaphras, my fellow prisoner in Christ Jesus, sends you greetings. And so do Mark, Aristarchus, Demas and Luke, my fellow workers.

Who do you assist in their ministry and who assists you in yours?

-Your Shepherds

BARNABAS and Paul

A friendship that rocked the Roman world

Missions

One of the missions members of the Central Kitsap Church of Christ have supported through the years is the pregnancy resource center called Trillium in Bremerton, WA.

Trillium has extensive offerings for women who need assistance during this important time in their lives. The flyer below needs to be publicized for the purpose of helping these women but also increasing awareness of this vital resource in our community. Please post on your social media and tell everyone you know so they can be blessed with the care, compassion, and life saving message of Jesus Christ by participating in this class or volunteering to serve.
