A MESSAGE FROM THE ELDERS:

What is your mental picture of God's power? As humans we try to put things into containers we can understand. God created our massive universe. To try to understand its size, our Milky Way is estimated to hold between 100 billion and 400 billion stars. The nearest star system to our sun is Alpha Centauri and is 4.37 light years away. To travel at ½ light speed would take 9 years.

Heb 11:3: By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible.

When we go to the Father in prayer, we are speaking directly to the Creator through his Son, Christ Jesus and the Advocate the Holy Spirit.

Missions

Did you know that the Church of Christ at Central Kitsap is blessed to worship with the caretakers at Delano Bay Christian Camp? If you weren't aware of that, it is important to know. This family is a joy to know and we are so amazed at all the talent and enthusiasm they bring to the camp. Please take a moment to thank them next time you see them. And, find out what's new at the camp and how YOU can participate!

ABOUT THE CARETAKERS

The Caretakers of Delano Bay Christian Camp are responsible for the daily stewardship of the property and the support of the camp's mission. They oversee the care of the grounds, facilities, and housing, help prepare the camp for annual camps, retreats, and events, and serve as a consistent on-site presence year-round.

Through practical service, organization, and hospitality, the caretakers work to ensure the camp remains a safe, welcoming, and well-cared-for place where ministry can happen.

"Moreover, it is required in stewards that one be found faithful."
1 Corinthians 4:2
