A MESSAGE FROM THE ELDERS:

Previously in this month's Shepherd's Corner we determined the church is not a building or location but people. We see from scripture being a Christian is not a spectator sport. We must learn that spiritual strength is gained by sharing our faith with other Christians. The early church learned that they were stronger together, sharing discussion, worship, and prayer.

(Act 2:42) They devoted themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer.

Today we need to follow the examples set by the first Christians. Remember we are all saints serving a risen Lord, and our task is to share the Good News with the church and the world.
