A MESSAGE FROM THE ELDERS:

When Is It Time to Put the Glass Down?

A professor stood before his class with an empty glass and a pitcher of water. He began pouring until the glass was full. Then he asked, "How heavy is this glass of water?"

The students called out various answers—eight ounces, ten ounces, twelve ounces. The professor smiled and replied, "The actual weight isn't what matters. What matters is how long I hold it. The longer I hold the glass, the heavier it will seem. Eventually, my arm will grow tired, my strength will fade, and the pain will increase. At that point, I don't need to become stronger. I simply need to put the glass down."

Life can be much the same. We often carry worries, disappointments, guilt, resentment, and fears for far longer than we were ever meant to carry them. What may seem manageable at first can become increasingly painful when we refuse to release it.

The Bible gives us a better way: "**Cast your burden on the LORD, and He shall sustain you**" (Psalm 55:22). Peter likewise reminds us to be "**casting all your care upon Him, for He cares for you**" (1 Peter 5:7).

Jesus offers the same invitation: "**Come to Me, all you who labor and are heavy laden, and I will give you rest**" (Matthew 11:28).

Perhaps the lesson is simple: We don't always need to become stronger to carry our burdens. Sometimes we need the faith to **put the glass down and place it in the Lord's hands.**
