WHAT WE'RE TEACHING

ON THE FLIP SIDE: A 4-WEEK STUDY FROM THE PROPHETS & GOSPELS ON JUSTICE

SERIES OVERVIEW:

When Jesus was on earth, he wasn't exactly known for telling people what they wanted to hear. Jesus' message was unlike any message people had ever heard before. He didn't give shallow motivational speeches or feel-good sermons. He didn't recycle the same messages other religious leaders were teaching. He flipped people's ideas about God, the world, and themselves completely upside down — usually in uncomfortable ways. And that's always how God's words have worked! In this four-week series, we'll compare Jesus'

words in the Gospels with the words of the Old Testament prophets to see how God's words have always challenged our understanding of what's wrong or right, good or bad, and just or unjust. We'll talk about how, both then and now, God flips our **assumptions about who God values**, our **definition of righteousness**, our **understanding of what's good enough**, and our **definition of justice**.

TIP OF THE MONTH

When we share our stories with teenagers, it can be easy to talk about our successes, our growth, and the bad habits we've overcome. But it's much more intimidating to admit our mistakes in the moment and be vulnerable with our families about our desire to get better. So what might it look like to model an attitude of repentance?
