

Grow The Tree

Session 3a - Water Baptism

Acts 2:38 "Peter replied, 'Each of you must repent of your sins and turn to God, and be baptized in the name of Jesus Christ for the forgiveness of your sins. Then you will receive the gift of the Holy Spirit.'"

Discipleship

- Matthew 3:1-17
- Matthew 28:18-20
- Romans 6:1-4
- You can get a baptism packet from the information center.

Jesus was baptized, His disciples baptized people, and He asks us to be baptized.

Discussion Questions:

- What kind of baptism (if any) are you familiar with?
- We get baptized so that we can publicly proclaim that we are no longer living for ourselves but living for Jesus. What do you think are the reasons that Jesus asks us to publicly tell others we are living for him?
- If you went through the water baptism packet:
 - What were some interesting things that stood out to you?
 - What question do you have about water baptism?
- Would you like to get water baptized the next time we do a baptism service?
- If you were to get water baptized, who would you like to invite to the service?
