### **Discussion Questions:**

- What is your church background?
  - How can I help you get connected to a church?
- What Bible reading plan would you like to use?
  - How could you incorporate SOAP into your Bible reading?
- What are your prayers like?
  - How can I help you talk to Jesus?
- In what other ways can I help you grow in your relationship with Jesus?

### **Green, Yellow, Red**

- You are more than the things you do. Sometimes, we can think that doing things is what makes us right with God. While there are things that can help us grow in our relationship, relationships are more than a list of things to do.
- How are you doing, personally? We use Green, Yellow, Red
  - Green – things are going well in my life
  - Yellow – there are a few things that are not going well in my life
  - Red – things are not going well in my life
- How can I help?
