

A Story of Growth

JOSHUA'S STORY

Attending Alpha at EHills was the beginning of a journey that changed the course of my life. I took the step to be baptized, and today I'm finishing my first year of seminary. Every day I'm learning more—not just academically, but personally. As I've studied the Bible, my faith has grown deeper, and my understanding of who Jesus is has become more real than ever.

This past year certainly hasn't been easy, but it's strengthened my conviction that following Jesus truly does make life better.

Looking back, I'm incredibly grateful for the encouragement and opportunities I received early on. Those moments set me on a path that continues to shape my life today.

It's exciting to see the growth of EHills and the lives being impacted. Even from a distance, it's encouraging to know more people are finding hope, discovering purpose, and taking meaningful steps in their faith.

What began with Alpha at EHills has become a journey of following Jesus—a story that continues to unfold every day.
