

God Created the World

Genesis 1–2

Bible Story Summary:

- In the beginning, the earth was formless and empty. God created everything through His word.
- God made light and darkness, earth and sky, seas and dry land, the sun, moon, and stars, sea creatures and birds, and livestock and wildlife. It was all good.
- God created people in His image. It was very good.
- On the seventh day, God rested.

Review Questions:

- How are humans unique from the rest of creation?
- Which of God's characteristics do we see in creation?
